

Customer Appreciation Referral Exchange (CARE)

Shafer Solutions CAREs

When you are pleased with the level of service provided to you by a vendor, you want to share that information with colleagues and friends. Over the years, we have enjoyed company growth due in large part to the many referrals we have received from satisfied customers like you.

As our valued client you know how important you are to us; we care about you. We want to measurably demonstrate our appreciation to you for spreading the word about how we consistently and competently serve your needs. Our Customer Appreciation Referral Exchange (CARE) program is our way of saying thank you!

It Pays to Refer!

For each qualified* referral you provide to Shafer Solutions for our products and services, we will award you with a \$100 American Express gift certificate**.

Take CARE

So, think about your colleagues and friends. Do they need new accounting, CRM, or HR software? Could they use consulting on packages that we support? Tell us about it and, in addition to our gratitude, you will receive a reward!
